

KEVIN BUSHELL

ASSOCIATE

Kevin joined Seastone in September 2023. He previously articulated at an international law firm and clerked at the Federal Court with Justice Furlanetto. During law school at UBC, he volunteered with the Innocence Project and the Law Students' Legal Advice Program.

Prior to law school, Kevin obtained a Bachelor of Science in Biology at the University of Victoria, followed by a Master of Science in Molecular Biology and Biochemistry from Simon Fraser University. He has worked as a cancer researcher, studying the genetic underpinnings of human and veterinary cancers working towards developing novel methods to detect and monitor disease. He is author of eleven peer-reviewed articles in Molecular Biology and Genomics.
